Crusades in Uganda

By the time you receive this newsletter, we will have completed four of the six crusades Uttermost Evangelism is hosting in Uganda this fall. During the first three crusades, over 1,000 adults and teenagers came forward to receive Jesus Christ as their Savior. We are hosting the crusades in smaller more remote areas that have received little or no evangelistic outreach like we are doing. Uttermost Evangelism is partnering with local churches, pastors, and Christian leaders. The crusades start around 4:00 pm with Carla leading a program for children from the crusade

platform. The children learn and sing Christian songs, are taught an evangelistic Bible lesson, and color sheets that reinforce the lesson they have learned. The smallest group of children Carla has had in a day is 150 and the largest group was over 500. After the children's ministry, we begin a two hour praise and worship time. Local

churches provide choirs, praise teams, and dance troupes to lead in worship. At dark I preach an evangelistic message and give a public invitation to receive Jesus Christ as Savior and Lord. Local pastors and church leaders serve as counselors, and register the names and contact information of those that respond to the invitation. At the end of the evening, we show a portion of a Christian movie like the *Jesus Film* or *The Passion Of The Christ*. In remote areas that don't have electricity, the film is a very popular and effective way to present the gospel message. Pray that the Lord will continue to bless the remaining crusades and draw many more people to salvation.

Muslims Coming to Christ

The Muslim religion is growing around the world, and no where is that more evident than in Africa. Many African countries are already predominately Muslim, and many others have a strong Muslim presence. Many oil rich middle eastern Muslim countries are funding the construction of thousands of mosques and Muslim schools throughout Africa. Muslims

are difficult to evangelize and are much more evangelistic

themselves than most westerners realize. As a result, we have been overjoyed to have Muslims attending our crusades. Several adult Muslim men have already been saved. We believe the only answer to the growing Muslim presence around the world is the preaching of the gospel of Jesus Christ. Pray that the Lord will continue to use our crusades to draw many Muslims to saving faith in Jesus Christ.

“And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord.”

Luke 2:10-11

Training East African Pastors

The Great Commission in Matthew 28 commands Christians to go into all the world and make disciples. Uttermost Evangelism is not only evangelizing the lost around the world, but is also making disciples and training disciple makers. In 2 Timothy 2:2, Paul wrote, "The things you have heard from me in the presence of many witnesses, entrust these to faithful men who will be able to teach others also." As the Lord opens doors internationally for us to preach the gospel of Jesus Christ, we are also training indigenous pastors and church leaders to evangelize and disciple their own people. In October and November I spent four weeks teaching at Global Theological Seminary in Jinja Uganda. I

taught a class on 1-2 Samuel and a class on the Gospel of John. My students were from the East African countries of Uganda, Kenya,

Sudan, Rwanda, and Tanzania. By training church leaders in the countries where we are preaching crusades, the Lord is allowing us to multiply our outreach and ministry. The Lord will use the training these pastors received to equip them to

be more effective at evangelizing and training their own people. The Lord also allowed me to preach to the students in chapel at Global Seminary and another seminary called Alpha and Omega Seminary. The founder of Alpha and Omega seminary asked me to serve on the seminary's board of directors and be an adjunct professor. I am excited to minister at seminaries around the world like GTS and Alpha and Omega. Through ministries like these we are fulfilling the command to "make disciples" and "entrust these to faithful men who will be able to teach others also." Pray the Lord will use the teaching I poured into these pastors to make them more effective witnesses and disciplers for Jesus Christ. Thank you for investing in us so we can invest in others.
