

## A Summer of Crusades

The Lord blessed Carla and me with seven packed weeks of ministry in Africa this summer. In Uganda, we conducted five four-night open-air crusades in the towns of Dei, Paidha, Iganga, Mayuge, and Mpigi. During these crusade services 3,227 adults and youth came forward publicly to accept Jesus Christ as their Lord and Savior. The first two crusades were in the remote West Nile region of Uganda on the border of the Democratic Republic of Congo. The last three crusades were in southern Uganda in towns that are predominantly Muslim. It was exciting to see so many people transformed by the power of the Gospel. Thank you for partnering with us through Uttermost Evangelism to help lift up the name of Jesus in East Africa. The Lord used your financial gifts through Uttermost to help make an eternal difference in the lives of thousands of people. Pray that the Lord will continue to produce a spiritual harvest in the lives of thousands more that had the good seed of the Gospel sown in their lives.

## Training National Pastors to Evangelize

I am honored to serve as Vice-President of the board and adjunct professor at Alpha-Omega Seminary in Jinja, Uganda. For nearly twenty-five years Alpha-Omega has been training pastors from across East Africa. During my last week in Africa this summer, Alpha-Omega hosted an Alumni Bible Conference. I was invited to be the keynote speaker for the Bible conference. Twenty-four pastors from Uganda, Kenya, and Tanzania attended the conference. All of my teaching sessions were focused on encouraging and training the pastors in the area of evangelism. The mission statement of Uttermost Evangelism says we exist for the sole purpose of making Jesus known and glorified in every nation on earth. While the Lord is opening the doors for me to preach the Gospel around the world, I realize we will never fulfill our mission alone. As a result, I am committed to training pastors, missionaries, and evangelists around the world

to more effectively share the Gospel of Jesus Christ. It was an honor to multiply our evangelistic effort this summer by investing in the lives of these East African pastors.

## Many Children Saved

Carla conducted a three-day evangelistic Vacation Bible School for the children prior to each of our crusades. Several thousand children attended these VBS sessions and hundreds of children prayed to receive Jesus as their Savior.

### Prayer Requests

September 5

Tract Distribution  
Prairie Arts Festival  
West Point, MS

September 14-20  
Bible Conference  
Vlahita, Romania

September 23-27  
Evangelistic Outreach  
Brasov, Romania
