A New Missions Journey

The Lord has called our family back into full-time missionary service! We enjoyed serving in the Home Office of Global Outreach International the last 6 1/2 years, but hands-on missions is in our blood. December 31, 2011, was my last day at Global Outreach where I served as Chief Operating Officer. January 1, 2012, our family launched Uttermos Evangelism through which we will do full-time missionary evangelism. The Lord has been birthing this ministry

in our hearts for years, but we believe the time has come for us to step out in faith and follow the Lord's

Brian, Carla, & Caleb

leading into the uttermost parts of the earth. We plan to use the national and international contacts

the Lord has blessed us with to preach the gospel of Jesus Christ around the world. Our target audience is people that have not had an opportunity to hear the Good News of the gospel. However, we will use every open door the Lord provides to evangelize the lost, disciple the saved, and mobilize the Christian church to reach the world for Jesus Christ. The Lord has called our family to step out of the boat, and by faith we are responding to His call.

Our Commissioning Service

On Sunday night, January 22, 2012, our home church, West Heights Baptist Church in Pontotoc, MS, commissioned our family for missions service. We have been members of West Heights since moving

to Pontotoc County in 2007. The Lord has blessed us with a loving church family and a wonderful ministry staff that is supportive of our new missions calling. All of our Uttermos Evangelism board members, along

with many other friends, joined us for this wonderful evening of worship. A special thanks to our pastor and current President of the Mississippi Baptist Convention, Dr. David Hamilton, for honoring our family with this special commissioning service.

Uttermost Evangelism exists to make Jesus Christ known and glorified among all nations, by proclaiming the Gospel of Jesus Christ to all people. Our passion is calling the lost to receive Jesus Christ as Savior through faith and repentance, equipping the saved to be faithful followers of Christ, and mobilizing the Christian church to fulfill the Great Commission.

Sharing our Ministry Vision

In January, our family began sharing our ministry vision with friends that the Lord has brought into our lives through the years. We are grateful to God that so many of the people He has allowed us to meet on our spiritual journey are committed to the Great Commission. The Lord is touching the hearts of people to join us in this mission journey and be a part of our ministry support team. Over the next few months, we will be traveling to different areas of the country to share with many more friends. Join our

family in praying the Lord will open many doors of opportunity to share our vision and that He will give us

Sharing the vision with the Uttermost Evangelism Board of Directors.

His favor. Missionary research has shown that it takes missionaries an average of 20 months to build their support teams. Our family hopes to reach our goal in 5-6 months. We will need to work hard to reach this goal, and we will need the Lord's blessing on our efforts. Please pray that the Lord will bless our support team building so we can go into the fields that are white for harvest and share the life-changing Gospel of Jesus Christ.
