Sowing Gospel Seed

Uttermos Evangelism exists for the sole purpose of lifting up the name of Jesus Christ by proclaiming the gospel. Nearly two billion people worldwide have not had an opportunity to hear a clear presentation of the gospel in their own language. An additional two billion people have access to the gospel but choose to isolate themselves from the message. This reality presents a challenge for Christians, churches, and ministries like ours who are called

to be ambassadors for Christ by being spiritual light. Most Christians face this difficulty by simply not sharing their faith regularly if at all. Our family and the entire board of Uttermos Evangelism

have challenged ourselves to be more intentionally evangelistic. One way we are doing this is by distributing creative and appealing gospel tracts on a daily basis. We want to challenge you to begin to share your faith daily by distributing tracts. If you want to begin sowing gospel seed, write us at our e-mail address on the back and request some free tracts. Uttermos Evangelism will send you 100 free tracts with some practical suggestions on how to comfortably begin to get the gospel in the hands of people that need it.

Support Team Building

Our family has traveled over 7,000 miles in the first five months of this year sharing about the ministry of Uttermos Evangelism. We have visited families and churches from North Carolina to Louisiana

and many destinations in between. As of the end of May, we have commitments for about 50% of our monthly ministry budget. We are still waiting to hear from some of the families with whom we have visited and a few churches are

making decisions now about adding us to their church's new ministry budget. We are thankful for every partner that has joined our monthly support team. Please join us in praying we will be at 100% of our budget soon!

Introducing Robert Blume, Uttermost Evangelism Board Member

A Big Milestone

On Saturday, May 12, 2012, Caleb graduated from A Beka Academy in Pensacola, FL. Caleb graduated with academic honors for maintaining all A's during all four years of high school. Our family traveled to Pensacola to attend Caleb's graduation and watch 392 A Beka Academy graduates from 35 states and eight foreign countries receive their high school diplomas.

The graduation ceremony was conducted with an excellence that truly honored the graduates. We were also impressed with the spiritually uplifting

and Christ honoring tone of the ceremony. Caleb has played a vital role in our family's ministry. During our

missionary service in Romania Caleb always viewed and conducted himself like a missionary. During the years we served in the Global

Outreach Home Office, Caleb did his homeschool work at Global and served as a constant helper around the Global office. Caleb has helped us launch Uttermost Evangelism but will leave our home in the fall to attend Pensacola Christian College in Pensacola, FL. Many of you have watched Caleb grow up as you have served with our family in missions. If you would like to congratulate Caleb on his graduation, you can mail a card to him at P. O. Box 2031, Tupelo, MS 38803.
