Uttermost Evangelism

VOLUME 1, ISSUE 4

JULY/AUGUST 2012

Praying for Laborers

In the mid 1990's, the Lord used two short-term mission trips to Romania to change my family's life. During the eight years my family served as church planting missionaries in Romania, we hosted over 500 short-term missionaries. These mission team volunteers shared the gospel with thousands of people and eternally impacted the lives of untold numbers. During the 6 1/2 years Carla and I served in the Home Office of Global Outreach, we worked to assist thousands of short-term mission volunteers who

served on hundreds of mission teams around the world. We have witnessed first-hand the tremendous impact lay Christians can make for the kingdom of God as they obey the mandate of the Great Commission. We want to use Uttermost Evangelism as a channel to enable churches and individual Christians to

obey Christ's command to go into all the world and make disciples. Starting in 2013, we are going to begin offering opportunities for you to join our family on mission trips. We want to use our short-term mission team experience to offer quality, high-impact mission trips that change lives and help grow the kingdom of God. Some of you are mission team pros, and we would love to have your experience on our teams. Many of you have never been on an international mission trip. Please allow our family to take you on a journey that will change your life and potentially the lives of many others.

Touchstones

I recently preached at Elizabeth Missionary Baptist Church in Roseboro, N.C. Elizabeth is the church where I was saved, baptized, licensed to preach, and ordained. The Elizabeth church family has always been very supportive

of my ministry, and we are thankful to have them as

partners of Uttermost Evangelism. Elizabeth Church is a touchstone the Lord uses to reaffirm His calling on my life to preach the gospel. The Bible affirms in I Corinthians 1:21, "It pleased God by the foolishness of preaching to save them that believe."

Highways and Hedges

In Luke 14:23, John wrote, "And the Lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my house may be filled." Uttermost Evangelism is committed to helping churches corporately and Christians individually to share the gospel of Jesus Christ. The Christian community can no longer stay inside the walls of the church and expect to evangelize the lost world. We must listen to the command of Jesus and obey His challenge to go into the highways and hedges with the life changing gospel. Uttermost Evangelism recently sponsored a tract distribution

event at the community July 4th celebration in Tupelo, MS. Thousands of people gathered in Tupelo's Ballard Park to enjoy a day of music, food, and fireworks. Our

family and several partners of Uttermost Evangelism joined the patriotic crowd not only to celebrate the 4th, but to share the gospel of Jesus Christ. We distributed

over 1,300 gospel tracts and had several opportunities to share in detail with those in attendance. The vast majority of people we approached were positive and glad to receive a gospel tract. Several people came back and asked for additional tracts. One lady told us she wanted an extra tract to send her daughter in prison. Uttermost Evangelism plans to sponsor at least one special event tract distribution every month. If you would like to join us in going into the highways and hedges to share the gospel, please e-mail us and we will keep you informed about ministry opportunities.
