New Witnessing Tool

For several years, I have been searching for a witnessing tool that is more detailed than a tract but still brief and simple enough to be read and understood by anyone. I have never found what I was searching for, so the Lord led me to write my own. Over the past few months I have been working on a witnessing booklet that presents a detailed scriptural presentation of the gospel. The first printing of this book should be coming off the press about the time you are reading this newsletter.

We want to distribute this book in churches, hospitals, nursing homes, businesses, crisis pregnancy centers, truck stops, jails, prisons, and any other place where the Lord opens the door. We plan to make this book

available at cost to churches and ministries that need a witnessing tool like the one we have designed. The long-term goal is to translate and print the book into many other languages so it can be distributed to people in countries around the world. Your sacrificial support of our family and ministry allowed me the time to write and produce this material. Pray that the Lord will use it to bring the light of the gospel to multiplied thousands who are living in spiritual darkness. May the Lord use this book to make the name of Jesus Christ known and glorified throughout the whole world.

Our New Homes

On September 3, we moved Caleb into his dorm room at Pensacola Christian College in Pensacola, Florida. We are sad not to have Caleb with us daily but excited to see how the Lord is going to use Caleb for His

glory. Carla and I have sold our house and purchased a

smaller home in Tupelo, Mississippi. Downsizing will provide us an economical place to base our family and ministry.

Craig Church and his wife, Kim, have been married for 20 years. They have two daughters, Taylor and Leah.

The Church family lives in Purllear, NC. Five years ago, God led Craig and Kim to leave full-time youth ministry and found Craig Church Ministries. Craig is sharing the gospel around the world as a full-time evangelist. We are thankful to have Craig's experience as part of our board.

Introducing Craig Church, Uttermost Evangelism Board Member

Numbers Count

Churches and Christian ministries are often criticized for focusing on numbers. However, recent evangelism statistics seem to indicate that many churches are not worried enough about numbers. Last year nearly 11,000 Southern Baptist Churches did not baptize one person, and another 17,000 baptized 5 or less in a year. These sobering statistics should awaken the Christian community to the reality that we are not effectively reaching people for Jesus Christ. Numbers are a prominent part of both the Old and New Testaments. In the Old Testament, we are told about the number of

spies sent to the promised land, the number of soldiers from each tribe of Israel, and the number of wives King Solomon married. In the New Testament, we are told about the

number of lepers Jesus healed, the number of people Jesus fed, and the number of souls saved at Pentecost. The focus is never on the numbers, but is on the people

the numbers represent. In the last two months during our evangelistic outreach events, 51 people have indicated a decision to pray and receive Jesus Christ as their Savior. I am thankful for each person that has trusted Jesus Christ as Savior. Every partner of Uttermost Evangelism played a key role in the salvation of these people. God is producing spiritual fruit through your prayers and sacrificial support of this ministry. Join our family in rejoicing and praising God, not for the number 51, but for the changed lives and saved souls that the number represents.
