Revivals in America

Since our last newsletter we have preached revivals in Mississippi, Louisiana, Alabama, Arkansas, and North Carolina. Thirty-five people made public decisions to receive Jesus Christ as their personal Savior during these evangelistic services. It is always exciting to see the Lord drawing people to Himself. The Lord is bringing revival to America one person, one family, and one church at a time. We are truly honored to be a small part of America's only real hope for healing, and

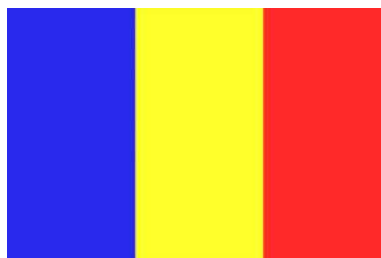

that is heaven sent revival through the preaching of the gospel of Jesus Christ. The Lord is not only saving the lost as we share the gospel, but also rekindling a spiritual fire in the hearts of many Christians who have been living an apathetic Christian life. While we are excited to preach the gospel in the

uttermost parts of the world, we are also convinced that the Lord wants to use us in America. Thank you for allowing us to go wherever the Lord opens a door to share the love and salvation of Jesus Christ. You are a vital part of every person who is revived and every soul that is saved. By partnering with Uttermost Evangelism, through financial support and prayer, you are truly storing up spiritual treasure in heaven. We are honored to serve as your missionaries and partner with you to reach a lost world for Jesus Christ.

Preparing for Romania

Our family will be ministering in Romania from June 19 - July 9. A team of twelve short-term volunteers will be joining us during part of that time. Carla has been busy for weeks preparing the lessons, crafts, and supplies

for teaching the children in

Romania. Romania holds a special place in our hearts and we are excited about ministering to the children. We covet your prayers for this outreach and are thankful for your partnership which makes it possible.

Introducing Uttermost Evangelism On Facebook

Creative Evangelistic Outreach

The world will never be reached with the gospel of Jesus Christ by ministering only inside the walls of the church. Uttermost Evangelism is committed to finding creative ways to take the message of Jesus Christ into a lost world. Recently we sponsored tract distributions at the Amory, MS, Railroad Festival, the Tupelo Gum Tree Festival and the Tupelo Elvis Presley Festival. During these festivals we distributed several thousand gospel tracts. The Lord also opened the door for us to speak with people one-on-one about their spiritual condition and share a verbal witness. The majority of

people we spoke with were open to receive a tract, and some were willing to allow us to share the

gospel. Very few people exhibited any negative response to our public witness. The devil wants to convince us as Christians that the lost world is not open to hearing the

gospel, and that we will offend people if we try to share Jesus Christ and the gospel publicly. However, we need to remember that the Bible teaches that Satan is a liar and the father of lies. The church cannot allow Satan's lies to keep us silent. The world desperately needs the gospel and most people are not coming to our churches to hear it. We must go into the world with the gospel. As your missionaries, we are not waiting for invitations to share the gospel; we are creating opportunities to engage the lost world with the gospel of Jesus Christ. Your partnership provides us with the time and resources needed to engage the lost world with the gospel.
