MAY/IUNE 2014

CALEB UPDATE

Many people have been asking us for a report on Caleb. He finished his second year at Pensacola **Christian College in** Pensacola, Florida, in early May where he is continuing to enjoy majoring in Studio Art. He is staying in Pensacola this summer and working for the college. Most of his work schedule is spent lifeguarding although he has helped some with grounds. We have not seen Caleb in three months, but I am sure Carla will have me in Pensacola for a visit soon.

Philippines Praise Report

In May, Carla and I led a small mission team to Cainta, Philippines, to conduct mission VBS outreaches for children. Our team worked in partnership with Shekinah Glory Baptist Church. We were told to prepare for 1,200 children a day in our VBS sessions. Carla spent weeks preparing teaching materials, color sheets, crafts, and all the supplies necessary to do VBS with 1,200 children. All the handout materials were translated into the main Filipino language. We conducted two separate VBS outreaches in two different areas near the partnership

church. During the week we worked with over a thousand children and our single day high attendance was 880 children. Carla did a great job organizing the materials and focusing every aspect of the VBS on the gospel messages the children were taught. Hundreds of children responded during the week and publicly accepted Jesus Christ as their Savior. Every Saturday the partnership

church has an ongoing outreach in the areas where we conducted VBS, to provide follow up and continued spiritual growth for the children. We were also able to provide the money necessary for the church members to prepare a hot meal for every child every day. Providing meals was a very important part of our outreach because the children are from very poor areas. The Sunday before and after the VBS outreach, the parents of the children were invited to special evangelistic services at the church. Over one hundred parents made a public profession of faith during the evangelistic services.

Revival in Romania

In May the Lord opened a door for me to lead a revival in Busteni, Romania. The revival had been scheduled for a year with another evangelist. At the last minute he had to cancel because of health issues. My long-time missionary friend Garry

Matheny called and asked if I could come to Romania and fill this void. I went and the Lord

blessed the services as we saw twelve adults respond publicly to receive Jesus Christ as Savior. We were excited to see God working in such a miraculous way because Europe has become so cold to the gospel. Thank God He moved with power to draw the lost to salvation.

We want to say a heartfelt thank you to everyone who made our mission trip to the Philippines possible. Many contributed money and supplies, and helped prepare VBS materials. You have a part in every life that was touched with the gospel in the Philippines.

"Oh, that I could spend every moment of my
life to God's glory!"

David Brainerd

Spiritual Breakthrough in Brazil

Recently, the Lord opened the door for me to preach the gospel in and around Recife, a large coastal city in the northeast region of Brazil. The metropolitan area has a population of nearly four million people. I preached the gospel in several large churches, and many people responded to the invitation to receive Jesus Christ as their Savior. The Brazilian people are warm, hospitable, and very open to the gospel. It was a joy to proclaim the gospel to people so eager to receive the Good News. One of the churches I partnered with has a seminary that trains Brazilians for full-time vocational Christian

ministry. It was a great honor to challenge these seminary students and future Christian leaders to urgently work to reach their own

country with the gospel. The Lord opened many different types of ministry opportunities in Brazil, and I was able to be a part of a great spiritual harvest of souls. I was also able to build relationships with

several key Brazilian pastors and Christian leaders. Before I left, several of these church leaders asked me to partner with them in two specific ways to help evangelize the city of Recife. The first request was that I return next year and conduct a pastors' conference for about 400 Brazilian pastors. The second request was that I partner with several large churches around the city next year to hold a large evangelistic crusade at the Recife convention center. I agreed to pray and begin exploring the possibility of helping with these two specific training and outreach projects. Please pray that the Lord will bless the planning for these future ministry events.
