

A Great Spiritual Harvest

I have just returned from a fruitful time of evangelistic ministry in the Philippines. The Lord allowed me to preach in several churches, jails, public schools, government gatherings, two youth events, two open air crusades, and a pastors' conference. During these outreaches, over 3,200 adults and teenagers made public professions of faith in Jesus Christ as Lord and Savior. I partnered with Shekinah Glory Baptist Church in Cainta Rizal, Philippines, and they are helping follow up with the people who made spiritual decisions. I also spent time training and strengthening Christian workers within the Filipino churches. In addition, we purchased and distributed over 1,400 pounds of raw rice to many of the poorest families in the areas where we ministered. One of the most exciting ministry opportunities we had was speaking to students in seven different high schools. Not all public schools in the Philippines are open to the preaching of the gospel. However, some school administrators did allow us to preach the gospel. We are making plans for a large outreach in Filipino high schools next year because the open door to preach the gospel in public schools is closing quickly. Thank you for partnering with Uttermost Evangelism. Your financial gifts are making an eternal difference in the lives of students like these around the world.

Partnering to Spread the Gospel

Uttermost Evangelism has finalized a ministry partnership with Trans World Radio 360. TWR360 provides a platform which allows web and mobile application users to access, stream, download, and read Christian resources. For nearly 60 years TWR has been one of the most trusted names in Christian radio. Their programs reach 3.9 billion people in 230 languages and dialects in over 160 countries around the world. Some of the most trusted Christian ministries in the United States have joined TWR360. However, only five of these ministries are designated as “featured ministries” with TWR360. Uttermost Evangelism is honored to be one of these five featured ministries. Please visit twr360.org to view our featured ministry spot and ministry banner on their home page. You can click the Uttermost logo and view, hear, or download the sermons we have already uploaded to the site. We plan to add about two new sermons each

month. You can download the TWR360 app to your mobile device which will allow you to navigate the site more easily and search for ministry material. Please visit twr360.org and listen to Brian’s sermons and also share this great ministry tool with family, friends, and co-workers.

Expanding Radio Ministry

On Easter Sunday we celebrated our one year anniversary on Sunny 93.3 radio station. On that same day, we started broadcasting on two new radio stations: Miss 98 and Z98.5. These are the only 100,000 watt radio stations in north

Mississippi. By having our *Saved to the Uttermost* radio broadcast on these three secular stations, we have a wonderful evangelistic outreach to north Mississippi.
