

Crusade in War-torn South Sudan

The Lord allowed us to travel to Yei, South Sudan, in June to conduct an evangelistic crusade. Several years ago the country of Sudan went through a violent civil war that resulted in the country being divided into North Sudan and South Sudan. At that time Christians in Sudan were facing some of the most extreme and violent persecution on earth. Almost immediately after South Sudan became a country, it began a civil war that continues still. Instability and insecurity continue to plague most areas of the country. The people are in desperate need of the peace and hope that can only be found in Jesus Christ. The Lord opened a door for us to take our evangelistic team and equipment into the country and preach the Gospel. The crusade lasted four nights and we had over 10,000 people in attendance on the last night. During the crusade 1,527 adults and teenagers came forward to accept Jesus Christ as their Lord and Savior. Carla had over 800 children that attended her evangelistic VBS. Many of these children also prayed to accept Christ as their Savior. The Lord blessed us with good weather and many thousands of people had the good seed of the Gospel sown in their hearts. Please pray that the Lord will continue to produce a great spiritual harvest through the spiritual seeds that were sown. May the Lord rule and reign in South Sudan and bring lasting peace to this troubled land.

Prayer Unleashes the Power of God

During our most recent crusade in Yei, South Sudan, the intercessory prayer team spent hours each night praying under the crusade platform. As I sat above them each night, I could hear their prayers rising through the platform. Their prayers reminded me of the countless ministry partners of Uttermost Evangelism who are lifting us and this ministry up to the Lord daily in prayer. People regularly come up to me as I travel around the world and tell me they pray for me and the ministry of Uttermost Evangelism every day. Prior to the Yei, South Sudan crusade, Haw Bluff Baptist Church in Ivanhoe, NC, wrote to say their church was forming an around the clock prayer team to lift us and the Yei crusade up for the duration of our ministry in South Sudan. It's Christians and churches like this that are unleashing the power of God on our lives and ministry. God is using their prayers to make an eternal difference in the lives of thousands of people around the world. We would be honored to have your prayers for Uttermost Evangelism. Please add us to your prayer list and your church's

prayer list. Join the most important ministry team Uttermost Evangelism has, our intercessory prayer team.
