

## Three Summer Crusades in Tanzania

For the second time in 2018, we took our crusade equipment into the east African country of Tanzania. In June and July we conducted crusades in the towns of Kotoro, Geita, and Ushirombo. During the three crusades, 1,320 adults and youth publicly accepted Jesus Christ as Lord and Savior. Around 2,000 children attended at least one of the evangelistic VBS sessions Carla held prior to the crusade services. Many of these children also committed their lives to Christ. We are excited for every soul that was born again into the family of God. As a ministry partner of Uttermos Evangelism, you have a part in each life that has been changed for eternity. The Lord blessed us with some wonderful Tanzanian churches whose members helped make the crusades a success. As I write this newsletter, members of our crusade team are back in Tanzania conducting discipleship conferences in the towns where we held crusades. We are training the pastors and church leaders in the towns on how to follow up and disciple the people who were saved while we were there. Part of the conference consists of intense training sessions, and part of it involves actually going out and beginning the discipleship outreach under our team's supervision. Our desire is to reach people for Christ and help local churches to follow up on and disciple the converts.

## Training Witnesses in Haiti

In August the Lord allowed me to be the keynote speaker at a national conference of Baptist pastors and church leaders in Haiti. Haiti, the poorest country in the western hemisphere, faces many spiritual challenges, since the predominate national religion is voodoo. However, in this spiritually dark country, the Lord has a remnant of faithful followers, many of whom attended the conference. The theme of the conference, based on Acts 1:8, challenged the attendees to become Holy Spirit empowered witnesses for Jesus Christ. I was honored to teach multiple training sessions on personal evangelism during the day and to preach in a worship service each evening. Over 2,000 people attended the conference, and many of them publicly committed to be involved in personal evangelism. The Lord allowed me to give a copy of my book, *Salvation: Man's Greatest Need God's Greatest Gift* in the Haitian Creole language to every conference participant. All of the conference attendees committed to share the book and a

personal witness with at least one person after completion of the conference. We saw several people saved during the worship services, but we are trusting hundreds will be saved as a result of the training we were able to share with the Haitian Christians. Thank you for helping us equip Christians to reach lost people with the Gospel.

## Prayer Requests

September 8-9

Crusade

Maua, Brazil

September 14-15

Crusade

Tarija, Bolivia

September 16

Harvest Day

Bolivian Churches

October 5-7

Revival

Fagaras, Romania

October 11-14

Bible Conference &

Crusade

Cahul, Moldova

## Crusade in Kyegegwa, Uganda

We ended our summer of crusades in east Africa with a crusade in Kyegegwa, Uganda. During the four night crusade 457 people committed

their lives to Jesus Christ as Savior and Lord. As the Lord continues to open doors, we are committed to saturating Uganda and the surrounding countries with the Gospel.
