

Taking Crusades to Tanzania

In July, the Lord allowed us to take our crusade equipment back to Tanzania to conduct two more crusades. We held eight nights of crusade in Sengerema and Katoro, Tanzania. This was our third journey into the country where we conducted our sixth and seventh crusades. It was a long two day drive from where we keep our crusade equipment in Jinja, Uganda, to the crusade venues in Tanzania. We spent half a day at the border crossing overcoming harassment and delays from customs and immigration officials. Once we finally entered the country, our truck was stopped repeatedly every few miles by police to check our paperwork and look for reasons to fine us and delay our journey. The Lord gave us the victory over every obstacle. Our hearts were encouraged when we saw the Lord drawing crowds of children, youth, and adults to the crusade ground. Carla had large crowds for the children's program each day with over 700 children on the highest attendance day for the children's evangelistic VBS. Thousands of people attended the crusade services and 1,055 youth and adults along with hundreds of children accepted Christ publicly during the two crusades. Thank you for partnering with us to take the life changing Gospel to these uttermost areas of Tanzania. You have had a vital part in every life that has been changed for the glory of God!

Testimony of One Changed Life

The Lord continues to bless the booklet I wrote several years ago, *Salvation: Man's Greatest Need God's Greatest Gift*. Thousands of copies have been translated, printed, and distributed around the world. It is currently available in English, Spanish, Haitian Creole, Portuguese, and Romanian. This fall we will be printing in two new languages: Ukrainian and Russian. Many churches and individual Christians are using this booklet as a witnessing tool. We hear from people regularly who are being saved. This is a recent testimony we received by mail. "My name is Sue. I am currently in a drug treatment center in Georgia. This is my third time in a treatment center. I am 48 years old and want to live a clean, sober life. My relative gave me a copy of your book, *Salvation*. I just finished reading it and have asked God to forgive me of my sins. I feel so broken and pray that Jesus who died for my sins will be with me

through this journey. I have caused my family a tremendous amount of pain. I would greatly appreciate you lifting me up in prayer, as I want so much to be a child of God. Once I transition to the next phase of my recovery, I will leave your book for the next addict who I hope will accept Jesus Christ as their Lord and Savior. Thank you again for your prayers."

Media Conference

Carla and I just returned from a media conference hosted by Trans World Radio with whom we have been partnering for several years. People from many countries around the world are downloading and streaming our sermons through the twr360 platform. We are blessed with many opportunities to expand our evangelistic outreach through twr.

Pray that the Lord will show us which countries, languages, and people groups we should target. Pray that the Lord will touch more people to partner with us so we can reach more with the Gospel.
