

## Social Media Evangelism

Like most churches, businesses, and families, Uttermost Evangelism has been greatly affected by the Covid-19 pandemic. Most of our regularly scheduled ministry over the past few months has been canceled due to both travel and crowd restrictions. I asked the Lord to show me how to continue to reach people with the Gospel during these trying days. He led me to contact many of our ministry partners around the world and challenge them to record a five minute video which would both encourage people dealing with the pandemic and also share the Gospel of Jesus Christ in their native language. We then could promote those videos on social media platforms. I recorded an English outreach video, and we received videos in 13 foreign languages, which we paid to promote on Facebook in 57 countries. The outreach lasted seven weeks and the videos were viewed 4,643,740 times. The videos were “liked” 45,728 times, “shared” 14,558 times, and “commented on” 6,459 times. We were excited that people contacted us and our ministry partners from numerous countries to let us know that after watching one of the videos, they accepted Christ as Savior. The Lord blessed us to be able to share the Gospel with millions of people around the world during a time that the devil tried to shut down our ministry. Praise the Lord!

## Helping Others During Pandemic

The Covid-19 pandemic has hurt our economy, closed businesses, and resulted in millions of laid off workers in the United States. Still, we are blessed to live in one of the wealthiest countries on earth. The government has provided financial relief to businesses, unemployed workers, and the American public on an unprecedented scale. Our country is also blessed to have tens of thousands of churches, businesses, nonprofits, and aid ministries that have provided much needed support to hurting American families. However, many of our Uttermost Evangelism ministry partners around the world live in countries that do not have support from either the government or the private sector. During this pandemic, we have sent out relief donations to pastors, churches, and ministries in many countries who were

literally starving and facing financial ruin. Many of these people have partnered with us for years and have never asked us for anything financially. Because of your sacrificial giving to Uttermost Evangelism, we were able to help some of God's most sincere servants around the world who were struggling greatly.

### Prayer Requests

August 9-12

Missions Conference

Keynote Speaker

Antioch Baptist Church

Wilkesboro, NC

August 20-23

Crusade

Mwanza, Tanzania

August 27-30

Crusade

Shinyanga, Tanzania

September 3-6

Crusade

Kahama, Tanzania

October 2-7

Revival

Haw Bluff Baptist Church

Ivanhoe, NC

## Uttermost Evangelism Update

Many of our ministry partners have reached out to ask how things are going with Uttermost Evangelism during this pandemic. Personally, we are fine and are grateful for your concern and prayers. Financially this has been a difficult time for Uttermost. During the first six months of 2020 our total donations were down \$30,000 dollars over the same period last year. We have had to cancel several international ministry outreaches because of travel restrictions. However, I am currently in Tanzania conducting crusades, and we hope the ministry will get back on a more normal schedule over the next few months. We are excited about the days ahead and look forward to our continued partnership in sharing the Gospel to the uttermost parts of the earth.
